MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

The Board of Directors of the company during the year have explored all the possibilities to develop the business so as to get the maximum returns to its shareholders. During the year, the construction industry has witnessed a recovery after a recession period. Further the demand for infrastructure is increasing day by day. With the increase in expenditure for infrastructure sector, the Company is hopeful that the construction industry will be highly beneficial. However, at the same time rise in input costs, like steel, cement, labour and other charges have gone up substantially which requires more capital for the operations of the Company. The Company expects that in near future the input costs will come down and thus it will be more profitable for the company.

Human Resources:
