## CHAIRMAN'S MESSAGE

### *Dear Stakeholders,*

We are grateful to the frontline healthcare workers and other support teams who are selflessly and fearlessly serving humanity during these challenging times. It's a formidable battle that our passionate healthcare community, frontline warriors are engaged in and I express my deepest respect for their gallant efforts. The silver lining is the success of large-scale vaccination in a few countries in controlling the pandemic that is giving hope to humanity at large.

India was relatively successful in managing the first wave of the pandemic outbreak but unfortunately, the second wave of Covid-19 is spreading the virus much more rapidly across India, including the rural areas which were relatively less impacted in the first wave. We are cautious and hopeful that with an all-out effort, we will be able to overcome the challenging situation the country is facing.

COVID-19 has caused unprecedented slowdown of economic activities across the world. We have assessed its impact on the operations of our Company. Based on our understanding of the economic activities, particularly related to our business and our assumptions, the impact on our Company will be short-term. We have considered various scenarios and carried out sensitivity analysis and will take appropriate measures to face the downturn and accordingly evolve the way forward.

We have always viewed challenges as opportunities and has successfully tackled these head-on with resilience and determination. As we look inwards towards improving our operational efficiencies that have a lasting impact, we also continue executing our strategy for long-term growth. It is important to remember that, whenever dramatic changes or events occur, the potential for new opportunities also open up and comes to all. Downturns require individuals and business to rethink, retool and adapt, which often results in the long-term in great efficiency.

Let's hope and pray we all come out well from the current second spell of pandemic and avoid the third wave by taking all the precautions and vaccinating all, at super speed.

Before I conclude, I wish to thank all my fellow Board members, management team, employees, customers, suppliers, regulatory authorities and our shareholders for their unflinching guidance and continued support throughout the year.

I wish you and your dear ones safety and health,

With warm regards,

**Ashish Patel**

## SECRETARIAL AUDIT REPORT

FORM NO. MR-3

FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2021

*[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies*

*(Appointment and Remuneration Personnel) Rules, 2014]*

---

**To,**  
**The Members,**  
**Radhe Developers (India) Limited**

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by RADHE DEVELOPERS (INDIA) LIMITED (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2021 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (vi) Based on the representation received from the management, we hereby state Other laws applicable specifically to the Company, namely:-
  - (a) Real Estate (Regulation and Development) Act, 2016;
  - (b) Gujarat Real Estate (Regulation and Development) (General) Rules, 2017;
  - (c) Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 and the rules made by State of Gujarat thereunder;
  - (d) The Building and Other Construction Workers' Welfare Cess Act, 1996 and the rules made thereunder;
  - (e) Indian Stamp Act, 1899;
  - (f) Goods and Service Tax Act, 2017

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned hereinabove.

During the Period under review, provisions of the following Acts, Rules, Regulations, Guidelines, Standards, etc. were not applicable to the Company:

- (i) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

## MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

### Indian Economic Scenario

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

The Indian government announced a complete lockdown in public movement and economic activity from the fourth week of March 2020. The lockdown staggered an already slowing economy as 1.38 billion Indians stayed indoors - one of the most stringent lockdowns anywhere. The outbreak of the novel coronavirus impacted the Indian economy during the first quarter of the year under review. The Indian economy de-grew 23.9 per cent in the first quarter of 2020-21, the sharpest de-growth experienced by the country since the index was prepared. The Indian and state governments selectively lifted controls on movement, public gatherings and events from June 2020 onwards. The result is that India's relief consumption, following the lifting of social distancing controls, translated into a full-blown economic recovery. A number of sectors in India – real estate, steel, cement, home building products and consumer durables, among others - reported unprecedented growth. India de-grew at a relatively improved 7.5 per cent in the July-September quarter and reported 0.4 per cent growth in the October December quarter.

India recorded the real GDP (gross domestic product) growth of 0.4% in the third quarter of FY21, as per the NSO's (National Statistical Office) second advance estimates. This rise indicates V-shaped recovery progression that started in the second quarter of FY21.

As per Economic Survey 2020-21, India's real GDP growth for FY22 is projected at 11%. The January 2021 WEO update forecast an 11.5% increase in FY22 and a 6.8% rise in FY23. According to the IMF, in the next two years, India is also expected to emerge as the fastest-growing economy.

India is focusing on renewable sources to generate energy. It is planning to achieve 40% of its energy from non-fossil sources by 2030, which is currently 30% and have plans to increase its renewable energy capacity from to 175 gigawatt (GW) by 2022.

India's foreign exchange reserves stood at US\$ 582.04 billion, as of March 12, 2021, according to data from RBI.

India's GDP contracted initially and then recovered in 2020-21. This recovery – one of the most decisive among major economies – validated India's long-term consumption potential.

### Industry Structure and Developments

Indian real estate sector has witnessed high growth in the recent times with rise in demand for office as well as residential spaces. Government of India along with the governments of respective States has taken several initiatives to encourage development in the sector. The Smart City Project, with a plan to build 100 smart cities, is a prime opportunity for real estate companies. On February 29, 2020, India formally approved 417 special economic zones (SEZs), of which 238 were already in operation. Majority of the SEZs are in the IT/ ITeS sector.

### **Impact of COVID-19**

The unprecedented scale of the impact of COVID-19 on Indian real estate can be gauged from the fact that the sector has incurred a loss of over Rs 1 lakh crore since the pandemic broke out. According to a report by KPMG, the pandemic resulted in a serious liquidity crunch for the real estate developers. The credit shortage brought down the residential sales from four lakh units in 2019-20 to 2.8 lakh units in 2020-21 across the top seven cities of India. The restricted movement and cautious buyer sentiment translated into an unprecedented increase in the unsold inventory as well.

### **Opportunities and Threats**

#### **Opportunities**

Real estate sector in India is expected to reach US\$ 1 trillion by 2030. By 2025, it will contribute 13 per cent to country's GDP. Emergence of nuclear families, rapid urbanisation and rising household income are likely to remain the key drivers for growth in all spheres of real estate, including residential, commercial, and retail. Rapid urbanisation in the country is pushing the growth of real estate. Indian real estate developers have shifted gears and accepted fresh challenges.

#### **Threats**

The impact of Coronavirus on the Indian real estate sector was stifling to the point that it brought property transactions to a near-halt last year when the nation went into a complete lockdown between March and June 2020. Since then, the market has taken several strides towards recovery, and just when it seemed the revival was not far, the country has been struck by yet another wave of the virus, this time, far more fatal. Experts say the recovery of the realty market in India could now prolong until 2022.

### **Segment Wise Performance**

In line with Ind AS - 108 Operating Segments and basis of the review of operations being done by the Senior Management, the operations of the group fall under the Construction business which is considered to be the only reportable segment by the management.

#### **Outlook**

The Indian economy is projected to grow by more than 10% in FY22 as per various institutional estimates, making it one of the fastest-growing economies. India's growth journey could be the result of a culmination of favourable tailwinds like consistent agricultural performance, flattening of the COVID-19 infection curve, increase in government spending, reforms and an efficient roll-out of the vaccine, among others. However, the only dampener is the surge in Covid-19 in the first quarter of the current financial year that could affect public consumption.

#### **Risks and Concerns**

The outbreak of a novel strain of coronavirus (i.e. COVID 19) across the world has since spread to almost entire India. The number of reported cases of COVID 19 in India, as well as the number of reported deaths because of COVID 19, significantly increased. The COVID 19

outbreak could become more severe and result in a more widespread health crisis and/or result in a global recession because of disruptions of economic activity. Several governments revised GDP growth forecasts and it is possible that the outbreak of COVID 19 may cause a prolonged global economic crisis or recession. Any of these factors may have a material adverse effect on your Company's financial condition and results of operations.

#### **Internal Financial Control Systems and Their Adequacy**

The Company has a proper and adequate system of internal financial controls, commensurate with its size and business operation. It ensures timely and accurate financial reporting in accordance with applicable accounting standards, safeguarding of assets against unauthorized use or disposition and compliance with all applicable regulatory laws and Company policies.

Internal Auditors of the Company review the internal financial control systems on a regular basis for its effectiveness, and necessary changes and suggestions are duly incorporated into the system. Internal audit reports are also reviewed by the Audit Committee of the Board.

#### **Discussion on Financial Performance with respect to Operational Performance**

- a) Share Capital: The Company's issued and subscribed share capital consists of Equity Share capital. The paid-up share capital of the Company as at 31st March, 2021, stood at ₹ 251799000/- comprising of 25179900 Equity Shares of ₹ 10/- each.
- b) Non-Current Assets & Non- Current Liabilities: During the year under review, the Non-Current Assets and Non-Current Liabilities stood at ₹ 837.91 Lakhs and ₹ 30.15 Lakhs respectively.
- c) Current Assets & Current Liabilities: During the year under review, the Current Assets and Current Liabilities stood at ₹ 3235.28 Lakhs and ₹ 2879.04 Lakhs respectively.

During the year under review, the Company registered total revenue of ₹ 88.85 lakh as compared to ₹ 387.11 lakh for the previous year and Profit before Tax stood at ₹ -303.67 lakh for the year under review as compared to ₹ -197.13 lakh for the previous year.

#### **Material Developments Human Resources / Industrial Relations**

The timely availability of skilled and technical personnel is one of the key challenges. The Company maintains healthy and motivating work environment through various measures. This has helped the Company to recruit and retain skilled work force which would result in timely completion of the projects. The Company has cordial relation with the employees and contractors of the company. The staff has the depth of experience and skills to handle company's activities. Skilled team of workers and other professionals ensure superior quality standards during every stage of work. The total employee strength as on March 31, 2021 was 16.

**Details of significant changes in key Financial Ratios & Return on Net worth**

Pursuant to amendment made in schedule V to the Listing Regulations, details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in Key Financial Ratios and any changes in return on net worth of the Company (on standalone basis) including explanations therefor are given below:

**Cautionary Statement**

The above Management Discussion and Analysis contains certain forward looking statements within the meaning of applicable security laws and regulations. These pertain to the Company's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties, regarding fluctuations in earnings, our ability to manage growth, competition, economic growth in India, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, government policies and actions with respect to investments, fiscal deficits, regulation etc. In accordance with the Code of Corporate Governance approved by the Securities and Exchange Board of India, shareholders and readers are cautioned that in the case of data and information external to the Company, no representation is made on its accuracy or comprehensiveness though the same are based on sources thought to be reliable. The Company does not undertake to make any announcement in case any of these forward looking statements become materially incorrect in future or update any forward looking statements made from time to time on behalf of the Company.

## INDEPENDENT AUDITORS' REPORT

To,

*The Members of*

**Radhe Developers (India) Limited**

Ahmedabad

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the accompanying standalone financial statements of **RADHE DEVELOPERS (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2021, the statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Information other than the Standalone Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report including Annexures to the Director's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Emphasis on matter**

We draw attention to Note No. 43(II) to the standalone financial statements, as regarding management evaluation of COVID-19 impact on the future performance of the company.

Our opinion is not modified in respect of this matter.

**Management's responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

**"ANNEXURE B" REFERRED TO IN THE AUDITORS REPORT TO THE MEMBERS OF RADHE DEVELOPERS (INDIA) LIMITED FOR THE YEAR ENDED 31ST MARCH, 2021**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **RADHE DEVELOPERS (INDIA) LIMITED** ("the Company") as of 31<sup>st</sup> March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1 CORPORATE INFORMATION**

Radhe Developers (India) Limited is a public limited company incorporated and domiciled in India in the year 1995 and has its registered office in Ahmedabad, Gujarat, India. The Company has its primary listing on the BSE Limited. The company offers residential, commercial, plotting and related projects. It has niche in various aspects like design, timely completion of the project etc.

**2 SIGNIFICANT ACCOUNTING POLICIES**

**2.1 Statement of compliance:**

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

**2.2 Basis of Preparation of Financial Statements:**

The financial statements have been prepared on going concern, accrual basis and on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

- Level 3 inputs are unobservable inputs for the asset or liability.

The principal accounting policies are set out below.

**2.3 Revenue Recognition:**

The Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) Amendment Rules, 2017 and Companies (Indian Accounting Standards) Amendment Rules, 2018 amending the following standard:

**Ind AS 115 Revenue from contracts with customers**

Ind AS 115 was issued on 29 March 2018 and establishes a five-step model to account for revenue arising from contracts with customers.

- 1 Identify the contract(s) with the customer
- 2 Identify the separate performance obligations
- 3 Determine the transaction price
- 4 Allocate the transaction price to the performance obligations
- 5 Revenue Recognition when performance obligations are satisfied

Under Ind AS 115, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

The new revenue standard will supersede all current revenue recognition requirements under Ind AS and the guidance note of real estate issued by ICAI

Effective April 1, 2018, the Company adopted Ind AS 115 from Contracts with using the cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018.

The standard permits two possible methods of transition:

- Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors
- Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Company has adopted the standard on April 1, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 have not been retrospectively adjusted. The effect on adoption of Ind AS 115 is expected to be insignificant as all the projects/contracts of the company are completed as on effective date.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

**Notes Forming part of the Financial Statements** for the year ended March 31, 2021

In accordance with the new standard, and basis the Company's contracts with customers, its performance obligations are satisfied over time.

b) Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.4 Employee Benefits:

Retirement benefit costs and termination benefits

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

Short-term and other long-term employee benefits

A liability is recognized for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognized in respect of long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

**2.5 Taxation:**

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

Current and deferred tax for the year

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

**2.6 Property, plant and equipment:**

Property, Plant & Equipment are stated at cost of acquisition or construction net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and other directly attributable costs. Subsequent costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item flow to company and the cost of item can be measured reliably.

Depreciation provided is pro-rata basis as per "Straight Line Method" over the useful life of the assets as prescribed in Schedule II of the companies Act, 2013 in respect of all assets.

Capital work in progress is stated at cost less accumulated impairment loss, if any.

Deemed cost on transition to Ind AS

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

**2.7 Impairment of tangible assets:**

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

**2.8 Inventory:**

Inventories comprise completed units for sale and property under construction (Work in progress):

- a. Completed unsold inventory is valued at lower of cost and net realizable value. Cost is determined by including cost of land, materials, services and related overheads.
- b. Work in progress is valued at cost. Cost comprises value of land (including development rights), materials, services and other overheads related to projects under construction.

**2.9 Financial Instruments**

Financial assets and financial liabilities are recognized when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

**2.10 Financial assets**

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

**Classification of financial assets**

Debt instruments that meet the following conditions are subsequently measured at amortized cost:

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For the impairment policy on financial assets measured at amortised cost, refer para of Impairment of financial assets.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income:

- The asset is held within a business model whose objective is achieved both by collecting Contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognized in profit or loss for FVTOCI debt instruments. For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in profit or loss and other changes in the fair value of FVTOCI financial assets are recognized in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

For the impairment policy on debt instruments at FVTOCI, refer Para of Impairment of financial assets. All other financial assets are subsequently measured at fair value.

**Effective interest method**

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in profit or loss and is included in the "Other income" line item.

**Financial assets at fair value through profit or loss (FVTPL)**

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

**Impairment of financial assets**

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition

**Notes Forming part of the Financial Statements** for the year ended March 31, 2021

and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognized in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

**Derecognition of financial assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

**Notes Forming part of the Financial Statements for the year ended March 31, 2021****2.11 Financial liabilities**

All financial liabilities are subsequently measured at amortized cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

**Financial liabilities subsequently measured at amortized cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

**Financial guarantee contracts**

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a Company entity are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- The amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- The amount initially recognized less, when appropriate, the cumulative amount of income recognized in accordance with the principles of Ind AS 18.

**Derecognition of financial liabilities**

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

**2.12 Cash Flow Statement:**

Cash flows are reported using the indirect method, whereby profit before tax and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**2.13 Cash and Cash Equivalents:**

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

**2.14 Borrowing Cost**

Borrowing costs attributable to the acquisition, construction or production of qualifying assets, are added to the cost of those assets, up to the date when the assets are ready for their intended use. All other borrowing costs are expensed in the period they occur.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

**2.15 Foreign Currency Transaction**

Transaction in foreign currency is recorded at exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currency are translated at the exchange rate prevailing on the Balance sheet date and exchange difference on translation of monetary assets and liabilities and resultant gain or loss is recognised in the Profit and loss account.

Non-Monetary assets and liabilities are translated at the rate prevailing on the date of transaction.

**2.16 Segment Reporting**

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. The Company's primary segment is identified as business segment based on nature of products, risks, returns and the

**Notes Forming part of the Financial Statements** for the year ended March 31, 2021

internal business reporting system and secondary segment is identified based on the geographical location of the customers.

**2.17 Earnings Per Share:**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders after deducting preference dividends and attributable taxes by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any

**2.18 Use of Estimates**

The preparation of the financial statements in conformity with Ind-AS requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialize.

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

**3 KEY ACCOUNTING ESTIMATES**

**a) Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments.

**b) Impairment of non-financial assets**

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cashflow (DCF) model. The cash flows are derived from the budget and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

**c) Taxes**

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

**d) Defined benefit plan**

The cost of the defined benefit plans and other post-employment benefits and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter that is subject to change the most is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit

**Notes Forming part of the Financial Statements for the year ended March 31, 2021**

obligation. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases are after considering the expected future inflation rates for the country.

**4 RECENT ACCOUNTING PRONOUNCEMENTS AND ITS EFFECT ON FINANCIALS****Ind AS 116 Leases :**

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

1. Full retrospective - Restrospectively to each prior period presented applying Ind AS 8 Accounting policies, Changes in accounting estimates and errors
2. Modified retrospective - Restrospectively, with the cumulative effect of initially applying the standard recognized at the date of initial application Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:
  - Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or
  - An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

Effective April 01, 2019, the company has adopted Ind AS 116 'Leases' using modified retrospective approach. The adoption of the standard did not have any material impact on the financial results.

**Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments**

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits

**Notes Forming part of the Financial Statements** for the year ended March 31, 2021

and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible method of transition :

1. Full restrospective approach - under this approach,Appendix C will be applied restrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight
2. Restrospectively, with the cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives

Effective April 01, 2019, the company has adopted Ind AS 12 Appendix C using Restrospectively, with the cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The adoption of the standard did not have any material impact on the financial results.

The Company has elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance 2019. Accordingly, the Company has recognised provision for the income tax for the year ended 31.03.2021 and re-measured its Deferred Tax Assets based on rate prescribed in the said section.

Mr. Bharat Pandya was appointed as an Independent Director of the Company by members in Annual General Meeting held on September 02, 2016 for the period of 5 Consecutive year's upto March 31, 2021. As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the board of the Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of the Company.

Based on recommendation of Nomination and Remuneration Committee and in terms of provisions of Sections 149, 152 read with Schedule IV and any other applicable provisions of the Act and Regulation 16 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Bharat Pandya, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for Second term of Five Consecutive years till March 31, 2026.

The Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Independent Director of the Company, if so appointed by the members. In the opinion of the Board, Mr. Bharat Pandya fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his reappointment as an Independent Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr. Bharat Pandya as an Independent Non-Executive Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours on any working day, except Saturday, upto and including the date of AGM of the Company.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Bharat Pandya as an Independent Director.

Disclosure under Regulation 36(3) of the Listing Regulations and Secretarial Standard-2 issued by the Institute of Company Secretaries of India are set out in the Annexure to the Explanatory Statement.

Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr. Bharat Pandya as an Independent Director for another term of five consecutive years with effect from April 01, 2021 to March 31, 2026, for the approval by the shareholders of the Company.

Except Mr. Bharat Pandya, being an appointee and his relatives, none of the Directors and Key

Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the accompanying Notice of the AGM. Mr. Bharat Pandya is not related to any Director of the Company.

#### **ITEM NO. 4**

Vide Companies (Amendment) Act, 2017, Section 185 of the Act has been amended and the same was notified by the Ministry of Corporate Affairs on 7th May, 2018. In terms of the amended Section 185 of the Act, a company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the Director of the Company is interested subject to the condition that approval of the shareholders of the Company is obtained by way of Special Resolution and requisite disclosures are made in the explanatory Statement and such loans are utilized by the borrowing company for its principal business activities only.

In view of the above and in line with the approval of the shareholders accorded under section 186 of the Act & as an abundant caution, the Board at its meeting held on June 11, 2021 decided to seek approval of the shareholders pursuant to the amended provisions of Section 185 of the Act to advance any loans, Investment and/or giving of security and/or guarantee for the loans availed or to be availed by the following body corporates in which one or more Director(s) of the Company are interested, either directly or indirectly subject to the maximum amount of Loans and/or guarantee and/or Security of an aggregate amount not exceeding Rs. 250 crores (Rupees Two hundred Fifty crores only) at any time.

- a. Radhe Infrastructure & Projects (India) Limited
- b. Pratigna Properties Private Limited
- c. Esaan Organizers Private Limited

The proposed transaction is within the limits prescribed under Section 186 of the Companies Act, 2013.

<b>Company in which Director(s) of the Company are interested</b>	<b>Ashishbhai Patel</b>	<b>% of Shareholding</b>	<b>Jahnavi Patel</b>	<b>% of Shareholding</b>
Radhe Infrastructure & Projects (India) Limited	Director and Shareholder	29.94% (Includes 25% of HUF)	Director and Shareholder	70.01%
Pratigna Properties Private Limited	Director and Shareholder	49.975% (entire holding of HUF)	Shareholder	50.025%
Esaan Organizers Private Limited	Director and Shareholder	50%	NA	NA

Except Ashishbhai Patel and Jahnavi A. Patel None of the Directors, Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested in the said resolution.

Your Board recommends the said resolution, as special resolution, for your approval.

#### **ITEM NO. 5**

Pursuant to the provisions of Section 186 of the Companies Act, 2013 ('Act'), the shareholders of the Company on 02nd September, 2016, at 22nd Annual General Meeting, accorded

approval to give loan or give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate upto an aggregate amount not exceeding Rs. 150 crore (Rupees One Fifty Crore Only).

In order to make optimum use of funds available with the Company or available in future and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate as and when required.

Members may note that pursuant to Section 186 of the Companies Act, 2013 ("Act"), the Company can give loan or give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate, in excess of 60% of its paid up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more, with approval of Members by special resolution passed at the general meeting.

In view of the aforesaid, it is proposed to take approval under Section 186 of the Companies Act, 2013, by way of special resolution, up to a maximum aggregate amount not exceeding Rs. 250 Crores, as proposed in the Notice at any time along with existing loans, investments and Gurantees.

The above proposal is in the interest of the Company and the Board recommends the Resolution as set out at Item No.5 for approval by the members of the Company.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned with or interested, financially or otherwise in the resolution at Item no. 5 of the accompanying notice.

The Board recommends the resolution at Item no. 5 to be passed as Special Resolution.

#### **ITEM NO. 6**

Pursuant to the provisions of Section 180(1)(a) of the Companies Act, 2013 ('Act'), the shareholders of the Company on 30th September, 2014, at 20th Annual General Meeting, accorded approval to create such charges and/or mortgages and/or hypothecations in addition to the existing charges and/or mortgages and/or hypothecations created by the Company, on such movable and immovable properties of the company upto an aggregate amount not exceeding Rs. 100 crores (Rupees One Hundred Crores Only). The Board of Directors of the Company is in view to increase the said limit.

In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting.

The borrowings of the Company are, in general, required to be secured by suitable mortgage/ charge/hypothecation on all or any other movable and/ or immovable properties of the Company in such form, manner and ranking as may be determined by Board of Directors of the Company, from time to time, in consultation with the lender(s), hence it is necessary to pass a

resolution under Section 180(1)(a) of the Companies Act, 2013, for creation of charges/ mortgages/hypothecations on Company's assets for an amount not exceeding the limit of Rs. 250 Crores (Rupees Two Hundred Fifty Crores Only).

The above proposal is in the interest of the Company and the Board recommends the Resolution as set out at Item No.6 for approval by the members of the Company to be passed as a Special Resolution.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned with or interested, financially or otherwise in the resolution at Item no. 6 of the accompanying notice.

#### **ITEM NO. 7**

Pursuant to the provisions of Section 180(1)(c) of the Companies Act, 2013 ('Act'), the shareholders of the Company on 30th September, 2014, at 20th Annual General Meeting, accorded approval for borrowing from time to time, any sum or sums of monies as it may deem proper for the purpose of Company business which, together with the monies already borrowed by the Company (apart from temporary loans obtained or to be obtained from the Company's bankers in the ordinary course of business), upto an aggregate amount not exceeding Rs. 100 crores (Rupees One Hundred Crores Only). The Board of Directors of the Company is in view to increase the said limit.

Keeping in view the Company's long term strategic and business objectives, the Company may need additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/or any other lending institutions and/or Bodies Corporate and/or such other persons/individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in a general meeting.

The Board of Directors of the Company proposes to increase the limits to borrow money upto Rs. 250 crores (Rs. Two Hundred Fifty Crores Only)

The above proposal is in the interest of the Company and the Board recommends the Resolution as set out at Item No.7 for approval by the members of the Company to be passed as a Special Resolution.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned with or interested, financially or otherwise in the resolution at Item no. 7 of the accompanying notice.

#### **ITEM NO. 8**

The Companies Act, 2013 aims to ensure transparency in the transactions and dealings between the related parties of the Company. Section 188 of the Act and the applicable Rules framed thereunder provide that any Related Party Transaction will require prior approval of shareholders through ordinary resolution, if the aggregate value of transaction(s) amounts to

10% or more of the annual turnover of the Company as per last audited financial statements of the Company. Further, Rule 15 of the Companies (Meetings of Board and its Power) Rules, 2014 of the Companies Act, 2013, prior approval of the shareholders by way of an Ordinary Resolution must be obtained in following transactions:

- (a) sale, purchase or supply of any goods or materials;
- (b) selling or otherwise disposing of, or buying, property of any kind;
- (c) leasing of property of any kind;
- (d) availing or rendering of any services;
- (e) appointment of any agent for purchase or sale of goods, materials, services or property;
- (f) such related party's appointment to any office or place of profit in the company, its subsidiary company or associate company; and
- (g) underwriting the subscription of any securities or derivatives thereof, of the company.

Transaction(s) entered into with M/s. Saurashtra Cement Corporation comes within the meaning of Related Party transaction(s) in terms of provisions of the Act, applicable Rules framed thereunder read with the Listing Regulations.

Pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014, as amended till date, particulars of the transactions with M/s. Saurashtra Cement Corporation are as follows:

Sr. No.	Name of Related Party	Name of the Director or KMP or Promoter who is related, if any	Nature of Relationship	Material terms and particulars of the contract or arrangement	Nature of Transaction	Monetary Value (in ₹)
1	M/s. SAURASTRA CEMENT CORPORATION	Mr. Alok Vaidya	Mr. Alok Vaidya is a non-executive director of Radhe Developers (India) Limited and Proprietor of M/s. Saurashtra Cement Corporation	As per the terms of the respective contracts or arrangements entered into or to be entered into from time to time in the ordinary course of business and on arm's length basis	Purchase of Goods/Materials	5,000,00,00/- (₹ Five Crores Only) Per Annum

Mr. Alok Vaidya is deemed to be interested in the proposed resolution.

The Board accordingly recommends the resolution for your approval as an Ordinary Resolution as set out in Item No.8 of the Notice.

Interested members would not be eligible to vote on the resolution set out at item No.8 of the accompanying notice in term of Section 188 of the Companies Act, 2013 and SEBI Regulations.
